* These Spring Season quotas were filled during the first lottery in 2003; therefore these areas and time periods are not expected to be available for the second lottery in 2004.

** These FALL Turkey Areas were oversubscribed in 2003 and were sold out in the first choice of the fall lottery.

Q: Should I select Area 9 Week G as a first choice in the second lottery?

A: No, this is a bad choice. The asterisk in the "G" column for Area 4 indicates no 9 G permits will be available for the second lottery. You would waste a chance!

Permit Application Period (Spring and Fall Seasons)

Closes February 23, 2004

Spring permit applicants will be notified in early April

Fall permit applicants will be notified in mid-July
